EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Konstantine Diamond on Thursday, April 29, 2004.

The application has been amended as follows:

In the Amendment dated 3/9/2004:

Claim 7, line 1, replace "top member and mid-top" by –first deck member and second deck--;

Claim 8, line 2, after "member", first occurrence, insert -and--;

Claim 20, line 1, replace "top member and mid-top" by -first deck member and second deck--

Allowable Subject Matter

- 2. Claims 1-26 are allowed.
- 3. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or fairly suggest, in combination with all the elements recited in each of the independent claims, the idea of providing pallet components with varied levels of fire retardancy, i.e., only selected components need to be constructed from more expensive, more fire retardant materials, thus reduced cost.
